HALL NEWS:

The daffodil day was a great success with villagers and visitors participating in the village daffodil trail and many enjoying the crafty activities and games in the hall. There were cakes galore to enjoy along with milk shakes from Daisy Bank and hot soup with rolls and of course coffee and teas.

A delightful map of the village was created by Debi Pearce and this offered a route to explore and find the specialist daffs grown and displayed by 20 villagers. Thank you all for participating, we hope to have a similar event again next year. A record of the event can be viewed in the hall as a display has been created to mark the day. In total we raised just over £400 which will help fund the hall's upkeep.

On Saturday 20th June there will be a summer social, with a picnic theme 11am - 3pm. Refreshments will be available but bring your own picnic and drinks to the hall and grounds where table and chairs will be set out along with some amusements.

This is the same day as the annual Rotary Walk Across Wales. As always the route takes in Llandyssil with the hall toilets being a welcome break, so it would be nice to incorporate the social with cheering the walkers on the last leg of their long walk.

If enough interest is shown we hope to run a Show and Sell exhibition of arts and crafts in September. If you feel able to contribute by sharing your work please get in touch with Sally Porter or any hall committee member for further details. No pressure to sell but feel free if you wish to. Others may just like to exhibit their pieces to celebrate the amazing diversity of crafts this village has to offer. I'm sure we can rustle up some refreshments too.

We also look forward to a Christmas craft fair as last year's was so popular. Details yet to be confirmed but a provisional date of December 5 has been set. Stalls will be available to hire but, as last year proved, they go fast so again if interested let us know and we can start compiling a list.

The village hall is an amazing asset to our community and one that can only survive with your support. Please help us to retain it has our social hub by joining us in what we hope will be fun events throughout the coming year

MONTGOMERY OPEN GARDENS

Montgomery organises a bi-annual open garden event, opening up lots of private gardens, big and small for other residents of the town and surrounding villages to enjoy. Please keep a note in your diary for July 12th, more details on posters in Montgomery nearer the event or on Montgomery Facebook page.

We are hoping to create a cluster of gardens in Llandyssil to add to the event, if we do, keep an eye open for posters around Llandyssil. The last date for entering new gardens is the end of May.
